

Investor Update

January 16, 2019

This investor update provides Spirit's fourth quarter and full year 2018 guidance. All data is based on preliminary estimates.

Total revenue per available seat mile for the fourth quarter 2018 is estimated to be 9.59 cents, up approximately 11.4 percent year over year. This is better than our revised guidance provided on November 26, 2018 due to modestly stronger peak yields.

Available seat miles for the fourth quarter 2018 were up 16.2 percent year over year versus our previous guidance of up 15.0 percent due to higher than expected completion factor. The Company had excellent operational reliability during the fourth quarter, achieving a record quarterly completion factor of 99.6 percent.
